

How to Delete My Data from Hide-My-Email.info

1. If You Have Created an Account:

1. Easily delete your account by visiting the account management page available in the application.
2. Use the account deletion action and confirm your decision.
3. Upon confirmation, your account data is permanently removed from our service systems.
4. Some data may need to be retained for a legally required period before final deletion.

2. If You Have Shared Data Through Service Communication:

1. Operational communication data is retained only for the period necessary to provide the service and meet legal obligations.
2. Retention periods for specific categories are described in the [Privacy](#) page.
3. If you need additional help, contact us through support channels listed in [Privacy](#) and [Terms of Service](#).
